PRIMARY DUTIES AND RESPONSIBILITIES:

Position Description: Will respond to suspected terrorist attacks using Weapons of Mass Destruction (WMD), and production or storage sites involving chemical, biological, and radiological substances. Will serve in a two person team specifically charged to perform reconnaissance or sampling. Team members will assist first responders in the presumptive identification of hazardous materials. Survey Team Members will perform reconnaissance of possible hostile areas containing hazards that would be deemed as high risk. Survey team members will perform sampling of hazardous chemicals and biological agents, and identification of radioactive isotopes. The team may be asked to determine the affected area perimeter and level of concentration. All Survey Team Members will maintain and operate technical equipment and Personnel Protective Equipment (PPE) under rigorous, stressful conditions. Members are expected to gain advanced proficiency in chemical, biological, and radiological concepts. Survey Team Members must be or be able to become Hazmat Technician Certified. Applicants must possess or be able to attain a secret clearance. This position requires an above average amount of TDY due to the Op-tempo. Applicants must possess or be capable of maintaining a government travel card in good standing to support travel requirements. All team members are required to respond to no-notice 90 minute recall to Buckley AFB at all times. Team personnel will be subject to OSHA physical standards and those failing to meet these standards will not be allowed to continue on the team.

Perform other duties as assigned.

CST Mission and Background

- a. As prescribed by the Adjutant General and Chief, National Guard Bureau for the Weapons of Mass Destruction Civil Support Team. The WMD CST's mission is to deploy to assess a suspected nuclear, biological, chemical, or radiological event, storage site, or covert clandestine production sites. The WMD CST's will advise civilian Incident Commanders (IC's) regarding appropriate actions such as levels of Personnel Protective Equipment (PPE), zoning, and hazards; facilitate requests for assistance to expedite arrival of additional state and federal assets to help save lives, prevent human suffering, and mitigate great property damage.
- b. The WMD CST is a mix of Air National Guard and Army National Guard Personnel. The team is currently responsible for the Federal Emergency Management Agency (FEMA) Region VIII. Hazmat training is highly desirable. Applicants should possess a high degree of fitness and physical stamina in order to perform extended operations in heavy protective gear. The Army Physical Fitness Test (APFT) standard for this unit is 240 or higher. Air Force members are expected to meet or exceed the Army standard.

Minimum Eligibility Criteria:

Must meet requirements as stated in the "Areas of Consideration".
